

GENERAL PRODUCT INFORMATION

Product Name:	Hellberg® Secure S2C Yellow Class 5 (SNR) 29 Passive Cap Mount
Product Code:	9206
Date of Issue:	31/08/2021

Details:

- For long term use in medium noise level or shorter periods in high noise level environments
- Best choice in high frequency dominated noise

The SECURE cap mounted earmuff is the ideal choice for any work that requires head and hearing protection. Its durable construction withstands rough environments and the slim design reduces the risk of snagging in branches or confined areas. Available in three protection levels, clearly indicated with bright safety colours for easy identification and selection. “Snap-in” ear cushions with minimal sweat retention and soft foam filling increases the high comfort and are easily replaced.
