

GENERAL PRODUCT INFORMATION

Product Name:	Hellberg® Secure S3C Red Class 5+ (SNR) 29 Passive Cap Mount
Product Code:	9207
Date of Issue:	31/08/2021

Details:

- For use in high noise level environments
- Best choice in low frequency dominated noise

The SECURE cap mounted earmuff is the ideal choice for any work that requires head and hearing protection. Its durable construction withstands rough environments, and the slim design reduces the risk of snagging in branches or confined areas. Available in three protection levels, clearly indicated with bright safety colors for easy identification and selection. “Snap-in” ear cushions with minimal sweat retention and soft foam filling increases the high comfort and are easily replaced.

Product Specifications

Style:	Cap mounted
Weight:	300 g
