

1. GENERAL PRODUCT INFORMATION

Product	: Lite PVC Utility Duct Tape
Code	: 1142-I, 1143-I, 1144-I
Size	: 48mm x 30m
Colour	: Silver, White and Black

2. IDENTIFICATION DATA FOR DIFFERENTIATION

Product Composition Materials

INGREDIENT	CONTENT(wt%)	CAS NO. OR note
PVC	45~60	9002-86-2]
DEHP	15~25	[117-81-7]
Filler	15~25	[471-34-1]
Rubber-based adhesive	5~10	/

3. RISK IDENTIFICATION INFORMATION

Health hazard effect	: No
Environmental implication	: No
Physical and chemical hazards	: No
Special hazards	: No
Cardinal symptom	: No
Hazardous items classification	: No

4. EMERGENCY TREATMENT

The most significant symptoms and harmful effects	: No
---	------

5. FIRE EXTINGUISHING MEASURE

Applicable fire extinguishing agent	: Water, CO ₂ and dry powder
Special hazards that may be encountered during fire extinguishing	: No
Special fire extinguishing procedure	: No
Firefighters	: Equip with breathing apparatus and protective CLO and avoid contact with eyes/skin

6. LEAKAGE HANDLING METHODS:

Personal notes	: No
Environmental precautions	: No

7. SAFE DISPOSAL AND STORAGE METHODS

Disposition	: No special handling equipment is required
Storage	: it needs to be stored in a cool, dry and well-ventilated area

8. EXPOSURE PREVENTION MEASURES

Personal safety equipment:

Respiratory protection	: No
Hand protection	: No
Eye protection	: No
Skin and body protection	: No
Hygienic measure	: No

9. SECURITY

Stability	: Chemically and physically stable
Hazardous reactions under special conditions	: No
The situations that need attention	: Stay away from heat sources and flammable substances

10. WASTE DISPOSAL METHOD

Handle under the conditions permitted by the environment and regulations

11. PHYSICAL AND CHEMICAL PROPERTIES

State of matter:	
Solid state shape	: Roll
Colour	: Black/white/silver
Odor	: Slight PVC of raw materials
Ph value	: No
Odor explosion limit	: No
	Vapor(water=1)
Density	: 1.25-1.45
Solubility in water	: Insoluble

12. TOXICITY DATA

Acute toxicity	: No
Inhalation	: No
Skin contact	: No
Eye contact	: No
Ingestion	: Avoid
Local effect	: No
Regarding sensitivity	: No
Chronic toxicity and long-term toxicity	: No
Special effects	: No

making it easy!

13. ECOLOGICAL DATA

Possible environmental impacts/environmental dispersion : Not conducive to natural degradation

14. TRANSPORTATION OF MATERIALS

International shipping regulations : No

UN number : No

Domestic transportation regulations : No

Special transportation methods and precautions : No

15. REGULATORY DOCUMENTS

Applicable laws and regulations : Generalized
