

Cornerboards: 6260

General Product Information

Application: Using cardboard Cornerboards (edge protectors) avoids costly damage to products in transit or storage. They provide greater stacking strength when pallets are double or triple stacked, eliminate shifting loads and stabilise strapped or stretch-wrapped loads. Can also be used as strengthening corner posts in large cartons or boxes.

PRODUCT INFORMATION

Product Type: Cornerboard 50x50x4x1200mm (6260)

Thickness:	4 mm
Width:	50x50mm
Length:	1200 mm
Pack Pallet:	25 pcs
Pallet:	84 packs
Colour:	Brown
Strength:	Normal Quality: 600-800N Prime Quality: 800-1000N
Date of Manufacture:	(On label)
Print:	No print

Pallet Dimensions	
Width:	1150 mm
Length:	1200 mm
Height:	980 mm
