

# Cornerboards: 6276

## General Product Information

**PRIMEPAC**  
making it easy!

**Application:** Using cardboard Cornerboards (edge protectors) avoids costly damage to products in transit or storage. They provide greater stacking strength when pallets are double or triple stacked, eliminate shifting loads and stabilise strapped or stretch-wrapped loads. Can also be used as strengthening corner posts in large cartons or boxes.

### PRODUCT INFORMATION

Product Type: Cornerboard 50x50x4x1150mm (6276)

Thickness:	4 mm
Width:	50x50mm
Length:	1150 mm
Pack Pallet:	25 pcs
Pallet:	84 packs
Colour:	Brown
Strength:	Normal Quality: 600-800N Prime Quality: 800-1000N
Date of Manufacture:	(On label)
Print:	No print

#### Pallet Dimensions

Width:	1000 mm
Length:	1150 mm
Height:	980 mm
